Dear Mr Meadows

PF/16/1251: Childrens Playground, North Lodge Park, Overstrand Road, Cromer

Thank you for your letter and e-mail of 13 November 2016 to Emma Duncan, who has asked me to reply to you.

I can confirm that there has been no change in NNDC planning policy nor in its interpretation of the legislation to which it is subject and that informs its public functions and duties. This application has been dealt with in a transparent way that is consistent with the standard way in which the NNDC deals with such applications. To that extent, the identity of the applicant is irrelevant. In considering the application the appropriate information has been requested and satisfactorily provided to enable the NNDC to reach a properly and appropriately informed planning decision. Your comments will be drawn to the attention of the Development Committee in the usual way.

I note your comments in relation to the Car Park Order. You will appreciate that this is not something that can be properly considered as a material matter in relation to a planning application. However, I understand that other colleagues have confirmed that full and appropriate public consultation was undertaken as part of the process of making the Order, including publicity and notification sufficient to comply with the requirements of the Local Authorities' Traffic Orders (Procedure) (England and Wales) Regulations 1996 under which the Order was made.

Yours sincerely,

Noel Doran
